"I'm told Karak Azgaraz is a splendid sight."

The Skaven have invaded the Dwarfen fortress of Karak Azgaraz! Fight your way through 3 striking levels in this DLC for Vermintide, set among the snow covered peaks of the Grey Mountains. Battle the Skaven in the ancient halls of the Dwarfen **Khazid Kro**, made of cold stone and old technology. Explore the mountains in search of **The Cursed Rune**. Finally, make your way to the top of the mountain to light the first beacon and trigger the **Chain of Fire**.

When completing these desperate missions in Karak Azgaraz, you will have a chance to acquire two NEW rare weapons. The Dwarf Ranger is out for Skaven blood with his new **Warpick**, and the Witch Hunter is not far behind wielding his sharp **Falchion**.
